

# Law of Abundance Check Ritual

## Here's how to do it:

- Take a blank check or print this page and cut it out
- Date it: March 29, 2025
- In the line that says "Pay to the Order of," write your full name.
- Leave the amount box blank or write: "Unlimited."
- On the amount line, write: "PAID IN FULL."

Where it says "For," write something that feels deeply aligned.

This space is powerful—use it to anchor your "why," your soul's intention, or the energetic exchange you're inviting in.

## Here are a few soul-led ideas:

- For dancing with destiny and expanding Divine consciousness
- For living my purpose with joy and abundance
- For fulfilling my soul mission
- For being here—fully alive, supported, and guided
- For choosing this life and expanding through it
- For embodying love, freedom, and trust
- For co-creating miracles with the Universe
