## KEY INGREDIENTS

1,3 beta-glucans from *Euglena gracilis* algae: Beta-glucans support immune health, immune function, and upper respiratory tract health.\* They're sourced through a sustainable indoor fermentation process to reduce waste and prevent harm to marine ecosystems.

Elderberry fruit juice concentrate: This ingredient contains antioxidants that combat free radicals and support the immune system.\*

Elderflower natural flavor: Flowers from the elder tree have been used for centuries to support a healthy respiratory system.\*

Lime essential oil: This zesty oil is a good source of d-limonene, a terpene that has antioxidant properties.\*

## SAFETY

Safe for children ages 4 and up.
