

Frankincense² DeepSpectra™ essential oil extract

Product Size: 5 ml
Item No: 44278

Wellness revolutionized. A unique fusion of Frankincense essential oil and frankincense resin compounds to create a brand-new essential oil extract.

SUGGESTED USAGE

- Take as a dietary supplement by adding 1–2 drops to a vegetarian capsule.
- Pair with our NingXia Red® drink or a glass of water with honey.

ABOUT

With our patents-pending DeepSpectra™ technology, we used Frankincense essential oil to extract boswellic acids and other compounds for more benefits than the essential oil alone. As a result, this extract is a heavier oil with a more luxurious feel. Explore a new spectrum of possibilities for your general wellness and immune health.*

BENEFITS AND FEATURES

- Supports general wellness*
- Supports a healthy immune system*
- Has a grounding and calming aroma
- Includes Frankincense essential oil, which has been used historically to increase spiritual awareness

INGREDIENTS

Frankincense† (Boswellia carterii) resin oil, Frankincense (Boswellia carterii) resin extract
†Premium essential oil

DIRECTIONS

Topical: Apply 2–4 drops directly to desired area. Dilution not required, except for the most sensitive skin. Use as needed.
