Q. Is gluten present in the Tropical Tango Hand Cream ingredients?

A. Gluten is not present in any of the ingredients used; however, this product has not been tested as gluten-free. It is possible that this product is manufactured in a facility that uses gluten in other product formulations. Though there may be gluten processed in the same facility, please rest assured that according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between productions to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak to your

health care provider.

Q. Are corn-derived ingredients present in Tropical Tango Hand Cream? Are they GMO?

A. The xanthan gum in Tropical Tango Hand Cream is partially derived from GMO-free corn. If you have further concerns, please speak to your health care provider prior to use.

Q. Are soy-derived ingredients used in Tropical Tango Hand Cream? Are they GMO?

A. The tocopherol in Tropical Tango Hand Cream is derived from GMO-free soy. If you have further concerns, please speak to your health care provider prior to use.

Q. Are ingredients derived from palm/coconut used in Tropical Tango Hand Cream?

A. Cetearyl alcohol, Cetyl alcohol, Glycerin, Glyceryl caprylate, Sodium stearyl glutamate, and Cocos nucifera (Coconut) pulp extract are all derived from palm and/or coconut sources. If you have further concerns, please speak to your health care provider prior to use.

Q. Are ingredients derived from tree nuts used in Tropical Tango Hand Cream?

A. Prunus amygdalus dulcis (Sweet almond) oil is used in Tropical Tango Hand Cream in addition to Cetearyl alcohol, Cetyl alcohol, Glycerin, Glyceryl caprylate, Sodium stearyl glutamate, and Cocos nucifera (Coconut) pulp extract, which are all derived from palm and/or coconut sources. If you have further concerns, please speak to your health care provider prior to use.

Q. Are ingredients derived from sesame used in Tropical Tango Hand Cream?

A. There are no ingredients derived from sesame used in Tropical Tango Hand Cream. It is possible that this product is manufactured in a facility that uses sesame in other product formulations. Though there may be sesame processed in the same facility, please rest assured that according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between productions to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak to your health care provider.

Q. Is there a UV warning for Tropical Tango Hand Cream?

A. There is no UV warning associated with the use of this product.
