Q. Is gluten present in the Tropical Tango Lip Balm ingredients?

A. There are no gluten-containing ingredients used in Tropical Tango Lip Balm. Please be aware that it is possible that this product is manufactured in a facility that uses gluten in other product formulations. Though there may be gluten processed in the same facility, please rest assured that according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between productions to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak to your health care provider.

Q. Are corn-derived ingredients present in Tropical Tango Lip Balm? Are they GMO?

A. There are no corn-derived ingredients used in Tropical Tango Lip Balm. Please be aware that while this product does not contain any corn-derived ingredients, it is possible that this product is manufactured in a facility that uses corn in other product formulations. Though there may be corn processed in the same facility, please rest assured that, according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between products to prevent contamination. If you have additional concerns about the use of this product, we encourage

you to speak with your health care provider.

Q. Are soy-derived ingredients used in Tropical Tango Lip Balm? Are they GMO?

A. Yes, the tocopherol in our lip balm products is derived from non-GMO soy. If you have further concerns, please speak to your health care provider prior to use.

Q. Are ingredients derived from palm/coconut used in Tropical Tango Lip Balm?

A. Yes, Cocos nucifera is derived from coconut. It is not considered an allergen due to the refining process. If you have further concerns, please speak to your health care provider prior to use.

Q. Are ingredients derived from tree nuts used in Tropical Tango Lip Balm?

A. Cocos nucifera (Coconut) and Prunus amygdalus dulcis (Sweet almond) are both derived from tree nuts. Neither of these ingredients is considered an allergen due to the refining process. If you have further concerns, please speak to your health care provider prior to use.

Q. Are ingredients derived from sesame used in Tropical Tango Lip Balm?

A. There are no sesame-derived ingredients used in Tropical Tango Lip Balm. Please be aware that it is possible that this product is manufactured in a facility that uses sesame in other product formulations. Though there may be sesame processed in the same facility, please rest assured that according to CGMPs (current good manufacturing practices), the machinery is cleansed and sanitized between productions to prevent contamination. If you have additional concerns about the use of this product, we encourage you to speak to your health care provider.

Q. Is there a photosensitivity concern with using Tropical Tango Lip Balm?

A. Research shows* that the level of Grapefruit essential oil included should pose no photosensitivity issues. To support this research, Young Living performed in-house photosensitivity testing. If you have further concerns, we recommend speaking to your health care provider prior to use.
