

# Tick Season Survival Guide

Raise Your Hand  
if  
You Despise  
Ticks!

## **For Dogs & Pets**

### **1. Essential Oil Tick Spray**

Mix in a 2 oz spray bottle:

- 10 drops Geranium essential oil
- 10 drops Cedarwood essential oil
- 5 drops Lavender essential oil
- 2 oz distilled water

Spray on your pet's fur before outdoor activities.

## **For Dogs & Pets**

### **2. Apple Cider Vinegar (ACV) Spray**

- Mix 1 part ACV + 1 part water
- Spray lightly on your pet before walks.

Add 1 tsp per 50 lbs of body weight to drinking water for internal support.

## **For Dogs & Pets**

### **3. Diatomaceous Earth (DE)**

- Lightly dust food-grade DE onto your pet's fur.
- Avoid inhaling the dust during application.

### **4. Neem Oil Treatment**

- Dilute a few drops of neem oil with coconut oil.
- Apply lightly to your dog's collar or coat.

### **5. Herbal Tick Collar**

- Infuse a fabric collar with Geranium, Cedarwood, or Lavender essential oil.
- Refresh oils every few days.

# For Humans

## 1. DIY Essential Oil Tick Repellent Spray

**Mix in a 4 oz spray bottle:**

- 10 drops Geranium oil
  - 10 drops Cedarwood oil
  - 5 drops Eucalyptus oil
  - 2 oz witch hazel or vodka
  - 2 oz distilled water
- Spray on clothing and skin before going outside.

# For Humans

## 2. Protective Clothing Tips

- Wear light-colored clothing to spot ticks easily.
- Tuck pants into socks to prevent ticks from climbing up.
- Spray shoes, socks, and clothing with tick repellent.

# For Humans

## 2. Protective Clothing Tips

- Wear light-colored clothing to spot ticks easily.
- Tuck pants into socks to prevent ticks from climbing up.
- Spray shoes, socks, and clothing with tick repellent.

# For Humans

## 3. Tick Checks

- Always check for ticks after outdoor activities.
- Pay special attention to behind ears, armpits, groin, and hairline.

# For Your Yard

## 1. Cedarwood Mulch

- Use cedar mulch around garden beds and walkways to repel ticks.

## 2. Diatomaceous Earth (DE)

- Sprinkle food-grade DE in tick-prone areas such as pet areas and play spaces.

# For Your Yard

## 3. Beneficial Nematodes

- Apply *Steinernema carpocapsae* nematodes to kill tick larvae naturally.
- Safe for pets and humans.

## 4. Tick-Repelling Plants

- Plant Lavender, Rosemary, Eucalyptus, Lemongrass, and Garlic in your yard.

## For Your Yard

### 5. Natural Tick Control with Birds

- Guinea fowl and chickens eat ticks naturally if allowed to free-range.

## **Final Tips for Tick Season**

- ✓ **Use natural tick sprays before heading outdoors.**
- ✓ **Check yourself and pets for ticks daily.**
- ✓ **Maintain a tick-free yard with natural deterrents.**
- ✓ **Avoid toxic chemical treatments while keeping your home and pets safe!**
- ✓ **Stay informed and proactive to prevent tick bites.**

**Stay Safe & Tick-Free This Season!**

## Essential Oils Wishlist

You want high-quality essential oils for best results. Many oils on the market are labeled as 100% pure, but only have 5% of the essential oil & the remainder is additives or adulterants.

Know your source!

I only recommend Young Living to be safe & effective.
