

Transfer buying is using the money you currently spend, and transferring it to the equivalent Young Living product.
 Why would you do this? Young Living products are not only non toxic, but when you use them, they enhance your health!
 YL Supplements are unique, as they are infused with essential oils, which enhances the clinical effect.
 YL online Canadian Catalog https://issuu.com/younglivingeocanada/docs/2019productguide_can
