

NingXia Red Details

NingXia Red is a delicious antioxidant beverage that combines the extraordinary wolfberry superfruit with 100% pure essential oils in a powerful, whole-body nutrient infusion without caffeine

Based off of a recent NingXia Red clinical study...

180 healthy adults ages 18-70 were divided into two groups. Every morning, participants drank 2 oz. of NingXia Red for 60 days. No other changes were made in their healthy lifestyles

NingXia Red can...

35% increase in physical energy levels

21 minute increase in sleep time after 60 day consecutive use

23% in reduction in daily stress to improve mental well-being
