## PET ODOR EXTERMINATOR CANDLES

Our odor eliminator products come from Specialty Pet Products, the most recognized source for odor extermination in veterinary practices, pet stores, homes, offices, hotel rooms and more. We offer candles, room sprays, car air fresheners and fabric sprays.

All products are formulated with natural odor neutralizing enzymes that destroy odors rather than just masking them. It's what makes our products uniquely different from other air fresheners on the market.

We offer year round and seasonal fragrances to choose from to help you eliminate the unwanted odors in your life.
