

Dear Brother or Sister in Christ:

Thank you for reaching out! Please find below links to documents needed. The first is my signed and notarized affidavit. In addition, there are two affidavits: one for an Individual and one for Families. These affidavits must be signed by you in front of a notary.

Notaries can be found in most banks, or you can find one by entering your location on:

https://www.notaryrotary.com/agent/find_a_notary.asp

The original notarized document should be kept in a safe place.

Individual affidavit: https://drive.google.com/file/d/1qLzEboGUpSj_SeNPkIUkc_p_pTqsV3rx/view?usp=sharing

Family Affidavit:

You will need to attach my affidavit to a copy of the affidavit you signed when being turned in to the institution requiring the paperwork. On forms that ask the question for you to explain your beliefs, the answer is "See Attached Affidavits."

My affidavit is valid in all 50 states.

Please contact me with any questions.

May God keep and guide you!

God Bless!

Sincerely,
Minister Clayton Warichak
