

Thieves Household Cleaner

(All Purpose Cleaner Strength at ~30:1 Dilution)

You will need:

- Large empty 30 oz **sprayer bottle**
- 1 oz **Thieves Household Cleaner** ultra-concentrate
- ~27 oz filtered **water**
- Large printed **label**
- Clear packing tape

How to make:

- Apply label to flat area of bottle and cover fully with clear tape to seal (this makes it water proof).
- Measure out approximately 25 ounces (check marks on bottle to see where to fill to) of filtered water in the empty bottle.
- Add a measured 1 ounce of the Thieves Household Cleaner concentrate.
- Slowly pour in water to fill remainder leaving space for sprayer top (it will bubble up and over if you aren't careful).
- Seal spray top securely and completely dry the outside of bottle.

How to use: For cleaning everything! Review the many households uses on the label for ideas! This all-purpose cleaner can be used on any surface in your home for dusting, spot cleaning, scrubbing, or any other cleaning need. Wherever you use it, you'll feel good knowing it's safe to use around everyone in your family, including pets.
