

WHY **COMMUNITY** IS SO IMPORTANT WHEN PARTNERING IN *BUSINESS*

"IF YOU LOOK AT THE
PEOPLE IN YOUR CIRCLE
AND DON'T GET
INSPIRED, THEN YOU
DON'T HAVE A CIRCLE,
YOU HAVE A CAGE"

When it comes to doing business- it can be a lonely place. The sisters "**competition** and **comparison**" are always lingering nearby and sticking their noses in where it does not belong. And let's not forget about their big brother "**imposter syndrome**". Some would say you have to have pretty thick skin.

That's only one way of looking things however. When you have a supportive community surrounding you- it can be a completely different experience altogether.

The community I am in for instance, consists of heart-centered women. Women all on a mission to **DISRUPT** systems. We all network and discuss multiple income streams and get this- we cheer each other on!!! We celebrate each other's wins and encourage one another when feeling in a slump.

We decided to join a network marketing business together at the advice of our amazing mentor who is a faith based millionaire who saw that it would be an amazing opportunity for us. We are in this together and it is so refreshing.
