

## Affiliate Links

Some links included on this site are affiliate links. If you click on an affiliate link and make a purchase, I may receive a small commission for the sale but the price is the same for you.

Mentions of associated products/services/businesses within the content may or may not be noted as an affiliate in every reference. Money earned via affiliate links helps pay the fees to keep this site up and running.

If I post an affiliate link to a product, it is something that I personally use, support or would recommend without an affiliate link.

Thank you so much for shopping through my links to show your support for the brands that I love and the products I share!
