

Prophetic Impartation, Healing & Deliverance

Friday - Sunday

We welcome the Glory and invite the Holy Ghost into every session; therefore, Jesus can change the schedule.

Ministry of Impartation

While ministering and during Open Heaven moments, trust and believe that the prophets are operating under the unction of the Holy Spirit. They will be unmasked. Those sisters working on the ministry line to support the prophet (catchers, ushers, etc.) will remain in their masks for safety. For those onsite, I have personal, protective equipment available, so you feel safe to come for prayer. *(All diffusers are running since Friday morning)*. **GOD'S GOT THIS!**

The ministry of impartation, healing, and deliverance is biblical. The Lord chose the anointed women of God with us this weekend. I am expecting the unexpected because there are at least 10 women of God who sit in the office or operate under the prophetic mantle. **There is ONLY ONE HOLY SPIRIT** and I believe we are about to encounter and experience PURPOSE and FIRE (**Acts 2:1-4**). During times of teaching, and worship, we yield to the movement of the Holy Spirit, and you will see "Open Heaven" on the encounter schedule. This is to allow the Holy Ghost to have His way and for the prophetic to flow freely. I included a brief writing here for any who may want to know more. I'm not a scholar or theologian and defer to the prophets, elders and pastors for better understanding and clarity, as I'm growing.

God imparted from Moses to the 70 elders so they could support Moses and bear the responsibility of the ministry (**Numbers 11:16-17**), and they prophesied without ceasing (**Numbers 11:24-25**).

In an article by Rodney Francis, he wrote, "Impartation has to do with the giving and receiving of spiritual gifts, blessings, healing, baptism in the Holy Spirit, etc., for the work of the ministry. It is the transference of these "gifts" from one man or woman of God to another, especially through the laying on of hands. There is an invisible flowing of spiritual ability from one to the other"¹.

Paul desired to impart spiritual gifts so the saints would be strengthened for ministry or service to others (**Romans 1:11-12**). If you are in this prophetic atmosphere for such a time as this, ask the Holy Spirit to make it crystal clear what you are to do with all you receive *(it's for the upbuilding and advancement of God's kingdom and the support of your community at home, church, work, etc.)*

The laying on of hands is key in imparting or transferring a blessing and Joseph knew how important that was when Jacob crossed his hands (**Genesis 48:14-20**). The Apostles laid hands on the believers so that they may be filled with the Holy Ghost (**Acts 8:14-17**). Ananias laid hands on Saul for the restoration of his sight (**Acts 9:17-20**). I hope you gain more clarity and understanding in these few Scriptures on impartation, healing, and deliverance: **Acts 19:1-7; 2 Timothy 1:6; Acts 6:1-8; Luke 4:40-41, 6:17-19, 8:43-48, 10:1-9, 13:10-13; Matthew 10:1; and Mark 3:13-15**. There are more!

I know you've been fasting, praying, and entreating the LORD; and since *you know* what/who you've been tarrying, laboring, pressing the throne of grace for; **expect God to release it, grant it, impart it, in Jesus' Name**. This is a consecrated time in the Presence of the LORD. God, in Christ, by the Holy Ghost, will not hurt you. Relinquish any fears, doubts, or unbelief that will strive against you to prevent you from receiving the fullness of what the Lord wants to impart.

During these moments, please stay engaged and pray for your sisters as they receive their impartation from the LORD *(this is a serious time and not for idle chatter or conversations)*. Once again, please stay on screen, cover one another in prayer and openly worship, release your holy, prayer language, or pray the Scriptures ***while your device is muted***. Be free to scribe notes, and petition God for yourself, your household, your family, and loved ones during this high time of worship, breakthrough, healing, and deliverance. **Whenever you are called**, please unmute your device at that time to receive your impartation through the Prophetess of God.

There are many here that can testify to what God did in 2021, 2022; He is no less God now than He's ever been. **HE IS THE SAME GOD, ready to do A NEW THING**. Just let Him do it!
