## **The General's Oil**

Use this oil for consecration before you seek My face.  
Use this oil with expectation as I continue to lavish you with My Grace.  
Bring to Me your petitions, concerns, and matters of the heart;  
Come to Me with reverent worship and prayer, for by those we're never apart.

Let Me give you insight, foresight, and strategies that I'll download through My Word and in prayer;  
Before you call I will answer, for you that I AM always there.

Don't recant on time spent in prayer because you feel more heat from the fire.  
Don't cower, shrink back, or be afraid because I defeated the devil, that liar.

Use this oil upon your feet as you take on new territories or unknown terrain;  
Stay humble, and always pray My Word, so it's the victory you will gain.

Time with Me is precious; I must ready you even more;  
for the adversary and enemy of your soul is relentless and you must prepare for this war.

Pray the Word, then live it out, and put off everything that opposes My will;  
Use this oil anytime you just need to rest, recover, and be still.  
I AM the Master of the Universe; by My Spirit, satan's plans are foiled.  
Partner with Me in the Word and prayer and be blessed using the General's Oil.
