

How ZYTO Link Supports Holistic Wellness

Rather than just treating symptoms and illnesses, ZYTO Link helps you focus on the whole person by taking their functional, energetic, and emotional wellness into account. We call these 3 areas the ZYTO Wellness Triad.

ZYTO Wellness Triad

FUNCTIONAL - How the parts and systems of the body are cooperating

ENERGETIC - How energy is flowing through the body

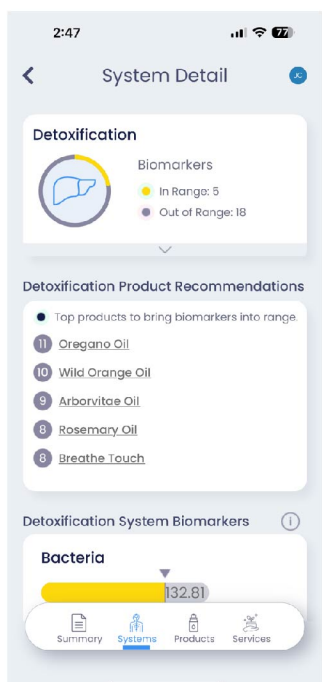

EMOTIONAL - How emotions are impacting overall health

Get a holistic picture of each client's wellness

VITAL MEASUREMENTS - Heart rate, HRV, Breathing rate, Skin age, & Mental stress

BIOMARKERS - Energetic measurements across 10 key areas of health

PRODUCTS & SERVICES - Top products and services to balance biomarkers

With ZYTO Link, you can:

View each biomarker response and see which ones need support.

See patterns and connections between body systems, lifestyle areas, and emotions.

Determine the top products across selected categories in these areas.

Get a list of top products and services to support the body's energetic balance.

Empower your clients with personalized holistic wellness information.
