Don't Let a Single Drop of Oil Go to Waste . . .

Tips to Savor Every Drop

- Remove the orifice reducer, the plastic cap inside the top, to let the last few drops drip out.
- Soak your empty bottles in a jar of Epsom salts. Add infused salt to bath. Enjoy!
- Add your empty bottles to a jar of water; then use that water to fill your diffusers.
- Save your empty bottles and use to make your own custom roller blends.

Did you know that one capful of Thieves Household Cleaner fits almost perfectly in an empty 5-ml bottle?

- »» Fill up that 5 ml bottle with Thieves Household Cleaner and give it to a friend. Be sure you put the orifice reducer back in to avoid leaks.

Use this . . . for that
