

Inner Beauty Collagen

Product Size: 5.29 oz.

Item No: 40578

TOP THREE REASONS TO ORDER:

1. Inner Beauty Collagen is free of artificial fillers, flavors, colors, and sweeteners.
2. Unlike most collagen products that use bovine collagen, we use marine collagen (type I), which is more bioavailable and better absorbed, giving you better results.
3. Taken daily, our formula reduces the appearance of fine lines and wrinkles in as few as three weeks.

Unlike other collagen powder supplements derived from bovine sources, ours features bioavailable type I marine collagen sourced exclusively from sustainable marine sources. Other key ingredients include skin-hydrating ceramides extracted from Japanese peaches, tapioca fiber from plants harvested sustainably in Thailand, and our exclusive Vanilla oleoresin that's blended with fractionated coconut oil instead of alcohol.

Taken daily, Inner Beauty Collagen supports vibrant, lit-from-within skin and healthy-looking hair and nails. Enjoy it as a tasteless addition to your morning smoothie, post-workout protein shake, NingXia Red[®] mocktail, Golden Turmeric[™] drink, or ice-cold water. You can even mix it up in baked goods or broth and still scoop up all the benefits.*

*Don't use in recipes calling for cooking temperatures above 380° F.

Meet Inner Beauty Collagen[™]. Made with a highly soluble form of bioavailable type I marine collagen, peach ceramides, hyaluronic acid, antioxidants, and no added sugars, our filler-free formula supports your natural radiance from the inside out.

BENEFITS AND FEATURES

- Reduces the appearance of fine lines and wrinkles in as few as three weeks
- Supports the dermal layer after UV-induced skin damage
- Contains prebiotic fiber, which supports healthy skin by balancing the gut microbiome
- Provides multilayer, synergistic skin support
- Strengthens and supports healthy hair and nails
- Promotes skin elasticity and hydration with type I marine collagen and peach ceramides

SUGGESTED USAGE

- Combine with ½ teaspoon of Golden Turmeric[™] and 1 cup of water or juice in a shaker bottle for a synergistic effect.
- Stir 1 scoop into a cup of your favorite hot tea such as Spiced Turmeric Herbal Tea.
- Mix with 2 ounces of NingXia Red[®] and ½ cup of juice or sparkling water for a tasty, collagen-boosting elixir.
- Add 1 scoop to a can of NingXia ZYNG[®] poured in a glass for a sparkling drink that supports skin health.
- Blend 2–4 scoops into the batter of baked goods.*

Inner Beauty Collagen[™] offers a dose of collagen, antioxidants, and other skin-supporting ingredients with every scoop. Even better, it's formulated with naturally derived, sustainably sourced ingredients, so you can feel good about your skin and your purchase.

Inner Beauty Collagen

DIRECTIONS

Mix 1 scoop of Inner Beauty Collagen with 4–8 ounces of water or your favorite hot or cold beverage daily.

INGREDIENTS

Fish collagen peptides, Tapioca fiber, Zinc gluconate, Superoxide dismutase, Vitamin C (as ascorbic acid), Peach ceramides (*Prunus persica* fruit extract), Biotin, Hyaluronic acid (as Sodium hyaluronate), Vanilla (*Vanilla planifolia*) fruit oil

SAFETY

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use. May cause sensitivity/allergic reaction. Contains fish and peach ingredients.

KEY INGREDIENTS

- **Type I marine collagen:** A highly soluble form of bioavailable type I collagen, this ingredient is sourced from sustainable fish using a proprietary hydrolysis manufacturing process that uses no harsh chemicals or solvents. It is odorless and tasteless.
- **Peach ceramides:** This ingredient helps provide hydration to the skin, decreasing skin dryness.
- **Biotin, vitamin C, and zinc:** Vitamin C and zinc support collagen synthesis for glowing skin, while biotin supports hair and nail health.
- **Tapioca fiber:** This prebiotic fiber supports healthy skin by balancing the gut microbiome.
- **Superoxide dismutase (SOD):** SOD is an antioxidant enzyme produced through fermentation.
- **Hyaluronic acid:** This ingredient supports skin hydration, helping to reduce the appearance of fine lines and wrinkles for more youthful-looking skin.
- **Vanilla oleoresin:** This oleoresin is a unique form of vanilla that is neither an extract nor an absolute, both of which contain mostly alcohol, and is extracted from hand-pollinated orchid blossoms.
