

Avoid these ingredients in your skin care products and makeup

- Parabens
- Sulfates
- Synthetic Fragrances, dyes, or flavors
- Nano Particles
- Gluten
- Fillers
- Synthetic Excipients
- 1, 4 Dioxane
- 2-Methoxyethanol
- Amodimethicone (Silicone)
- Aluminum
- Animal Derived Ingredients (Fats, Oils, &/or Musks)
- Artificial Fragrances, Dyes & Flavors
- Benzalkonium Chloride
- Benzophenone
- Bismuth Oxychloride
- Bisphenol A (BPA)
- Butoxyethanol
- Butylated Hydroxyanisole (BHA)
- Butylated Hydroxytoluene (BHT)
- Caprylyl Glycol
- Carbon Black
- Chemical Sunscreens/Chemical UV Blocks
- Chloroethane
- Coal Tar
- Cyclical Siicones
- Cyclomethicone (Silicone)
- Cyclopentasiloxane (Silicone)
- Deanol Aceglumate
- Di(2-ethylhexyl) phthlate (DEHP)
- Dibutyl Phthalate (DBP)
- Dimethicone (Silicone)
- Dimethiconol (Silicone)
- Dipropylene Glycol
- Dyes (Artificial)
- Ethylenediaminetetraacetic (EDTA)
- Ethanomalines
- Formaldehyde
- Fragrance (Artificial &/or Synthetic)
- Glycols (synthetic)
- Heavy Metals
- Hydroquinone
- Isobutylparaben
- Mercury
- Methyl Cellosolve
- Methylchloroisothiazolinone
- Methylisothiazolinone
- Methylparaben
- Mineral Oil
- Monoethanolamine
- Nanoparticles
- Nitromusks
- Octinoxate
- Octyldodecyl Neopentanoate
- Oxybenzone
- Parabens
- Paraffin
- Parfum
- Petrolatum (Petroleum Jelly)
- Petrochemicals (Plastics)
- Perfluorinated Compounds (PFASs &/or PFC)
- Phenacetin
- Phenyl Trimethicone (Silicone)
- Phthalates
- Polyacrylamide
- Polybutene
- Polycycle Musks
- Polycyclic Musks
- Polyethylene Glycol (PEG Compounds)
- Polytetrafluoroethylene (PTFE)
- Propanol
- Propylene Carbonate
- Propylparaben
- Resorcinol
- Retinyl Palmitate (not a huge concern)
- Silicones (Plastic)
- Sulfates
- Sodium Lauryl Sulfate (SLS)
- Sodium Laureth Sulfate (SLES)
- Synthetic Fragrances
- Synthetic Glycols
- Talc
- Toluene
- Triethanolamine (TEA)
- Triclosan
- Triclocarban

Special thanks to Jen O'Sullivan for researching this list
