SCENT  
WITH YOUNG LIVING ESSENTIAL OILS

## HOW TO CREATE YOUR PERFUME:

---

1. PICK YOUR OILS.

2. FOR A ROLL-ON PERFUME, ADD OILS TO YOUR BOTTLE AND TOP WITH FRACTIONATED COCONUT OIL OR V6.

FOR A SPRAY BOTTLE, ADD OILS AND COMBINE WITH 1 PART WITCH HAZEL OR VODKA AND 2 PARTS DISTILLED WATER.

3. WHEN ADDING YOUR OILS CONSIDER THE RECOMMENDED RATIOS OF TOP/MIDDLE/BASE AND SCENT PREFERENCES. YOUR PERFUME WILL EVOLVE AFTER A DAY OR TWO AS THE CONSTITUENTS SETTLE, SO BEFORE FEELING TEMPTED TO ADD MORE DROPS, LET IT SETTLE AND EVOLVE FOR 2-5 DAYS BEFORE MAKING ADJUSTMENTS. BE SURE TO WRITE DOWN YOUR RECIPE SO YOU CAN RECREATE IT!

4. SHAKE GENTLY AND ENJOY YOUR NATURAL, CUSTOMIZED PERFUME!
