Month 2: Cleanse Your Body

Cleanse your system, eliminate waste, and support normal liver function with the Cleansing Trio Kit. Augmented with herbs that are rich in vitamins, minerals, and essential oils, the Cleansing Trio Kit promotes energy and a sense of well-being.

Essential Zyme

Take 1 dual time-release caplet of Essential Zyme one hour before your largest meal to break down food and improve digestion in the cleansing process.

ComforTone

Take 1 capsule of ComforTone 3 times daily to eliminate residues from the colon and enhance its natural ability to function. Discontinue use after 4-8 weeks.

ICP

Get two grams of dietary fiber when you mix 2 rounded teaspoons of ICP with at least 8 oz. of juice or water.

Month 3: Bring in the Good

NingXia Red

NingXia Red is a powerful antioxidant drink that contains whole NingXia wolfberry purée, a super blend of blueberry, plum, cherry, aronia, and pomegranate juices, natural stevia extract, grape seed extract, pure vanilla extract, and 100% pure essential oils.

Why should you drink NingXia Red?

It provides long-lasting energy support, revitalizes body systems for full-body protection, and makes the body an unfriendly environment for free radicals.

All of the components of NingXia Red work together to support normal digestive health, healthy immune function, a healthy cardiovascular system, normal brain function, and much more.

Add NingXia Red to your subscription box! Select from a variety of options such as bottles or on-the-go packets OR save some \$\$\$ with the NingXia Red Rewards Bundle that combines the two.
