

Why Young Living?

1. The Founder D. Gary Young

Gary Young started a company and built it with integrity, determination, and dedication to blossom it into the world's leading essential oils company.

Gary's Vision:

To bring essential oils into EVERY home.

2. People Over Profit The D. Gary Young Foundation

A company that worries more about people than profits is a company you can feel confident in supporting.

Young Living spreads its love of people even further through the foundation, with 100% of donations going towards projects and partners.

Their Projects and Partners:

- Young Living Academy, Ecuador
- Rebuild Nepal
- Hope For Justice
- Sole Hope
- Healing Faith Uganda

3. The Promise of Quality Seed To Seal

Young Living has promised to make quality a top priority.

Its Seed To Seal commitment through

Sourcing

Science

Standards

&

provides quality without compromise.

That means products that work with no harmful chemicals EVER.

4. Dedication Global Farms

Being able to grow crops all over the world means being able to source the best from both corporate and partner farms, all abiding by strict guidelines.

5. Products for Everything & Everyone.

It's convenient! Young Living has everything you need in one place.

With Young Living, you will find:

- ShuTran Line for men
- Savvy Minerals Makeup for ladies
- Oils and supplements for kids
- Seedlings for babies
- Animal Scents for pets
- Personal & skincare products
- Cleaning products for your home
- Products for nutrition and wellness
- And more!

6. Wellness, Purpose, & Abundance.

While all of Young Living members embrace **wellness** through these products, 10.5% of them are also grateful for the **abundance** opportunity to get a paycheck. Many find **purpose** while serving others and spreading wellness to every home.
