You can qualify for what is known as Loyalty Rewards if you purchase products every month that are at least 50 PV or more. You earn loyalty points which can be redeemed on future product purchases. them. Once you do try one of the Divine Life Purpose Dozen essential oils, please share your experience in the Divine Life Purpose Dozen Discussion Room.

Young Living has many other wonderful products. I fell in love with the products and that is why I have been with the company since 1998.

### How to Use Your Essential Oils the Most Efficiently

It is best to use a glass jar with a pump of some kind instead of plastic when you're mixing your essential oils and a carrier oil like olive oil, coconut oil, etc.

**DO NOT MIX THE ESSENTIAL OILS IN THE SAME JAR!!!** Have separate glass jars for each single essential oil or essential oil blend.

Put your carrier oil in your glass jar and then count out the drops of your essential oil that you'd like to add, 10 to 50 or more.
